SUMMIT GROUP REFLECTION QUESTIONS

Matt. 7:13-20 Pardon Me…Can You Show Me the Way to Heaven?

1) Based on the context of the Sermon on the Mount, how would you define the "narrow gate that leads to life" over against the wide gate and path that leads to destruction"?

2) How do you react to Jesus' statement that the narrow way which leads to life is difficult, and that few find it?

3) What might some of the "fruits" be in the life of false prophets (those who dress in sheep's clothing but inwardly are ravenous wolves) that Jesus' followers would be wise to spot and avoid?

4) On the other hand, what kinds of behaviors are represented by the "good fruit" of the sound tree?

5) What gives you confidence that you have entered by the narrow gate and are now walking on the hard way that leads to life?
